-Solar Pumping System

Fully Green Power Co., Ltd.

FULLY GREEN POWER

Solar Water Pump Projects

- System Capacity: 20HP solar pump system
- Project Time: 2016. 10
- Location: Republic of Uzbekistan, Samarkand region, Kushirobod district, Urganji KHI, Jonbuloq village
- Application: For agricultural irrigation

FULLY GREEN POWER

Solar Water Pump Projects

- System Capacity: 25HP solar pump system
- Project Time: 2018. 4
- Location: Republic of Uzbekistan, Kaskadarjya region
Shahrixabz district Yangikishloq
- Application: For agricultural irrigation

Solar Water Pump Projects

- System Capacity: 15HP solar pump system
- Project Time: 2017.7
- Location: Republic of Uzbekistan, Jizzah region Gallaorol district Mahalla Olimlar, H.Ziyatov str. 10
- Application: For agricultural irrigation

FULLY GREEN POWER

Solar Water Pump Projects

- System Capacity: 25HP solar pump system
- Project Time: 2017.10
- Location: epublic of Uzbekistan, Samarkand region, Kattarugan district, Maibulaq KFI, Arabhona village
- Application: For agricultural irrigation

Solar Water Pump Projects

- System Capacity: 50HP solar pump system*7 sets
- Project Time: 2017. 10
- Location: Republic of Uzbekistan, Samarkand region, Bulungur district, Mahalla Ming Tapa, Urta Buloq KFI
- Application: For agricultural irrigation
